Which Will You Have?

"Cheap" Crackers or "Our"
Crackers?

On one hand you take chances,
and there's a very just and well-
founded prejudice abroad against
cheapness of any sort especially in
food products.

On the other hand you have bis-
cuits, which are simply the best
crackers that the oldest manufac-
turers know how to make. They
are honestly made from purest in-
gredients by expert bakers.

This brand has always stood for
what is best in crackers and cakes.
You are safe with that name.
Which will you have?
